Introduction

"The theory of marketing is solid but the practice of marketing leaves much to be desired." (P Kotler, 2004, "Ten deadly marketing sins.")

It's also estimated that about 80% of great strategies are not implemented or just implemented badly! This does not need to be the case...find out how to manage your marketing plans and implement them with military precision, action & vision. Your share price, job security, salaries, benefits, growth opportunities...are all on the line if you are *not* managing your marketing campaigns & projects effectively. This programme is for everyone serious about enhancing his or her marketing thrust.
